Re: FACE of RI Contribution

Dear Edward,

As a first-year applicant for the Rhode Island corporate education tax credit program, I am pleased that my organization was selected in the lottery. I know that my contribution to FACE of RI is being used to assist economically challenged families who otherwise would be unable to enroll their sons and daughters in the Catholic school of their choice. My hope is that State funding for this program will be increased to provide education assistance to many more deserving students going forward.

Sincerely,

Stephen G Soscia
